UNITED CHURCH

November 23, 2015

Dear Neighbor,

We at Stanley Church strive to be a good neighbor and we like it here! In fact, we are making plans that given fruition can insure the Church remains here in this neighborhood for another 100 years. As you may know from our informational presentation to the Borough Council in July, we are looking to raise needed funds for the Church's Work by way of selling a portion of our property, thus reducing our footprint on Fairmount Ave.

Lets get together as a way to stay in touch as neighbors. Please stop by for a few minutes on Sunday Dec 6 sometime between Noon and 3 PM for an Open House. Some of our Parishioners will be on hand; we can fill you in on this exciting development project under consideration!

Blessings for a Bountiful Thanksgiving!
